PROTECTIVE COVENANTS

For the purpose of providing adequate restrictive covenants for the mutual benefit of ourselves and successors in title to the tracts hereinafter described, we do hereby impose the following RESTRICTIONS, COVENANTS and RESERVATIONS that shall all be encumbent upon all transferees, grantees and successors in title or interest, to-wit:

I All lots shall be known and designated as residential building plots. No structures shall be erected, altered, placed or permitted to remain on any residential building plot other than or detached single-family dwelling not to exceed two and one half stories in height and other out-buildings incidental to residential use of the plot. One story dwellings will contain not less than 1200 square feet of living area excluding garage. Multi-story and split level dwelling shall contain not less than 1500 square feet of living area excluding garage.

II No residential building lot shall be resubdivided into building plots of less than four acres each.

III No business, trade, or commercial building shall be erected upon any residential lot. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

IV No structure of temporary character, tent, shack, barn or other out-building shall be used on any tract at any time as a residence either temporary or permanent, and no structure previously used shall be moved onto any tract.

V Animals, other than swine may be kept, provided that they are not kept, bred or maintained as the primary source of income of the lot owner.

VI No trash, junk cars or other refuse may be thrown or dumped on any lot. Each owner of a vacant lot is required to keep said lot in presentable condition and any non-burnable refuse must be hauled away for disposal.

VII Wells and septic tanks must conform to minimum State Health Department regulations and shall be constructed in accordance with the recommendation called for as a result of a percolation test. It shall be necessary for the contractor, or contractor - builder, prior to covering any septic system, to notify the Health Officer that the septic system is ready for his final inspection. In no case may a well be closer than 100 feet from any part of septic tank systems nor may a well or septic tank system on any lot be closer than fifty feet to a lot line. Well casings will be cemented for a distance

of ten feet below the surface of the ground. No well or septic tank system may be constructed on one lot which would interfere with a properly planned an constructed well and/or septic tank system on an adjoining lot.

VIII No changes in the topography of a lot are permitted which would interfere with proper drainage either on the lot of the owner, or any other lot.

IX These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until JANUARY 1, 1985, at which time said covenants shall be automatically extended for successive periods of ten years unless an instrument signed by a majority of the then owners of said lots has been recorded, agreeing to change said covenants in whole or in part.

X If the parties hereto, or any of them, or their heirs or assigns shall violate any of the covenants herein, it shall be lawful for any person or persons owning any of the above described property to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant to either prevent him or them from so doing or recover damages for such violation.

XI Invalidation of any one of these covenants by judgment of court order shall in no way affect any of the other provisions which shall remain in full force and effect.

Signed this 12th day of June A.D. 1975.
